

## PRECISION VICE

### ITEM: C6396

Quick-lock precision vice, tempered and ground steel. Clamping through hexagonal wrench. Ideal for grinding, milling, measuring and electro discharge machines. V-jaws for a reliable grip.

Parallel error:  $\pm 0.005$  mm / 100 mm

Orthogonality error:  $\pm 0.005$  mm

| Tech. Code   |  | Total length L<br>mm | Jaw opening<br>mm | Jaw width<br>mm | Jaw height<br>mm | Weight<br>Kg |
