

DOUBLE LEVER ACTION CUTTING NIPPERS COBOLT®

ITEM: 71 01 200 - 71 01 250

STANDARD DIN ISO 5743

Double lever cutting nippers with precision cutting edges for low and high resistant wire, piano wire, for cutting bolts, nails and rivets up to Ø 5,2 mm

High performance chrome-vanadium steel, forged, oil-hardened with additional cutting edges Induction hardened, hardness approx. 64 HRC. Handles coated in synthetic resin.

Tech. Code	Length mm	Piano wire Ø max mm
F1746200	200	3,6
F1746250	250	3,8

ITEM: 71 02 200

STANDARD DIN ISO 5743

Double lever cutting nippers with precision cutting edges for low and high resistant wire, piano wire, for cutting bolts, nails and rivets up to Ø 5,2 mm

High performance chrome-vanadium steel, forged, oil-hardened with additional cutting edges Induction hardened, hardness approx. 64 HRC. Handles coated in bi-component material.

Tech. Code	Length mm	Piano wire Ø max mm
F1747200	200	3,6

DOUBLE LEVER ACTION CUTTING NIPPERS WITH SPRING COBOLT®

ITEM: 71 12 200

STANDARD DIN ISO 5743

Double lever cutting nippers with precise cutting edges for high resistant wire, piano wire, for cutting bolts, nails and rivets up to Ø 5,2 mm.

Opening spring incorporated in the handles to work comfortably and practical locking for safe transport. High performance chrome-vanadium steel, forged, oil-hardened approx. 64 HRC. Handles in bi-component material..

Tech. Code	Length mm	Piano wire Ø max mm
F1749200	200	3,6

DOUBLE LEVER ACTION CUTTING NIPPERS WITH BENT HEAD COBOLT®

ITEM: 71 22 200

STANDARD DIN ISO 5743

Double lever cutting nippers with bent head of 20°, with precision cutting edges high resistant wire, piano wire, for cutting bolts, nails and rivets up to Ø 5,2 mm. Opening spring Incorporated in the handles to work comfortably and practical locking for safe transport.

High performance chrome-vanadium steel, forged, oil-hardened with additional cutting edges Induction hardened, hardness approx. 64 HRC. Handles coated with bi-component material.

Tech. Code	Length mm	Piano wire Ø max mm
F1751200	200	3,6

DIAGONAL CUTTING NIPPERS

ITEM: F1770

Micro-sandblasted carbon steel body, handles in sheet steel sheathed in PVC, cutter for piano wire, toggle joint to reduce cutting effort.

Tech. Code	Length mm	Cutting force 2000 N/mm² Ø max mm
F1770160	160	2
